Gulchi Belluni
EXQUISITE JEWELLERY

Hulchi Belluni

ANTWERP

In 2001, Martine Hul launched her jewellery brand named Hulchi Belluni. The name 'Hulchi Belluni' was inspired by three elements: the name of its owner and creative brain 'Hul', the oriental philosophy the 'chi' element and the beautiful moon 'bella luna', which in many cultures is considered a source of inspiration. Under her watchful eye of its owner, the line that started out as one of classic, timeless pieces, has gradually turned into what it is today: a successful jewellery brand, sold all over the world and that stands for an appealing diversity of modern and classic collections. Never out of date, always ahead of the newest trends.
